## Student expectation while participating in at-home learning

Please understand your responsibility as a learner to engage in each class each day. You are responsible for the same behavior as if they were learning in person. This includes appropriate online behavior within the Google Classroom and Zoom.

### Students will:

- Create a space and dedicated time for learning activities.
- Sit at a desk or table ready to learn.
- Avoid multitasking while in class (this includes eating or playing with pets.)
- Be their productive best while in class.
- Seek help when needed (teachers, guidance, administrator.)
- Sign in to their zoom classrooms on time daily, and stay connected until the teacher dismisses classes.
- Stay organized in all classes and assignments.
- Demonstrate learning with completion of assignments.
- Engage with the classroom and use tools (like headphones) to focus on instructional videos, etc.
- Communicate with teacher and examine feedback on learning.
- Demonstrate online learning etiquette.
- Reach out to a teachers if they are overwhelmed.
- Collaborate with peers using respectful language and behaviors.
- Wear attire acceptable for school (no chapel clothing needed on Thursdays)
- Support each other in this new way of learning.
- Be patient with self and teachers- we are all learning together!

Please let me know if there is anything HLCS can do to make this path smoother.
